“ *Lorie was one of the sweetest souls I have ever known. I am honored to have called her my friend. She is a true example of a Proverbs 31 woman. She was a warrior, she was selfless, humble, kind, beautiful, and she loved her God. Lorie, I can only imagine the celebrating that happened in heaven when the angels were able to see your sweet face, hear your sweet voice, and feel your sweet spirit. I will always love and miss you but I know you are ok now you have finally received your ultimate healing. Until we meet again, my sweet friend.*

“*Precious, I believe is the best word to describe Lorie. She was one of the sweetest people I’ve ever known. She was a wonderful godly example to me and anyone who knew her. She loved her family, her friends, the children she taught, a most of all the Lord. She was a prayer warrior for me personally, someone who I could count on even when she was sick. I loved to hear that beautiful soul sing praises to the Lord, her voice just drew you into the message she was singing about. Lorie was humble and kind, quiet but strong, brave and a true inspiration, beautiful on the inside as well as outside. I count myself privileged to have known Lorie Duncan, and at this moment I know that she is in the arms of her loving Father, singing Him praises face to face. What a gift she has been to us all.*”

“*Lorie was my sons speech therapist at OES. She was also my friend. Her compassion for her students was tremendous and so was her impact on all who knew her. There are no easy answers to this situation. Our only consolation is that our Savior had a pre-ordained plan that was in Lories life. She is missed greatly today and will always be missed. We are in prayer for Lories family.*”

“ I met Lorie when my daughter Makayla who has Down syndrome saw her at Ohatchee for speech therapy starting at the age of three after she aged out of early intervention. she was the most patient sweet calm and caring person I believe I've ever met and she has left a lasting impression on my heart ❤️ and will truly be missed by so many. She was such a gentle soul and I pray for comfort and peace for her husband and precious children and the rest of her family. God bless you Mrs Lorie Duncan 🙏🙏🙏
