“ Linda and Tommy and family, Sorry about the loss of your dear loved one. Trust in God and he will carry you through it all. Treasure all the memories and good times you shared with your loved one in your hearts forever. Think of the cardinals is an angel sent by your loved one to check on you and your family today. God is there to put his loving arms around you and your family today. You and your family are special and dear to me. I asked God to help ease the pain that you are facing today. I am praying for you and your family today. I wrote this from the bottom of my heart. I know what you are going through because I have been through it when I lost my dad.
