“ We would like to send out our condolences to the family and Martha Parks. We had some good times together with Mac and Martha at the Pell City Elks Lodge and the Anniston Lodge Mac and I spent time together and had some laughs when working at the race track making money for the Lodge. “ I worked with Malcome for nearly 20 years..not sure of exactly how many years..I had rwo breaks every day and when he was there we took our break
Together...along with Jannie, Tommy and 3 or more people at Hager..I enjoyed his company those day and he was very interesting..I remember
In the summer he would bring turnips from his garden and tomotoes...he would peel them and we all enjoyed great food for break..
I am sorry to say I did not see him after 2000 when I left Hager..but I will
Always remember his funny, sweet ways..he was a true friend..I will not be able to attend his wake...but my prayers are with his family and his many 🙏 RIP my friend Mac..you are hone but not forgotten..
