“ *Mike has been the most amazing big brother. I came into the family 31 years ago and Pam and Mike were the first to welcome me and we knew we could always count on him for anything. He couldn't sit still. He was always working on something. He was still cutting grass a few weeks ago. This hill will never be the same. We'll always be looking for him and thinking about him whenever we go outside. Rest easy big brother.*
