“ We are praying for this precious family as they celebrate the life of Marc. Our families were close growing up and I always remember that great smile and his kind heart even as a child. God bless you all. He's in the arms of his savior now and at peace .

Prayers for this sweet family that was once many years ago part of my adopted family. I grew up with Marc and we were best of friends for many years I loved this precious family. Later his mother and I stayed together always until I was getting married and we drifted apart. After my first child was born our family lives crossed again this time with Marcs sister Michelle she became my babysitter. Our families since have had different seasons but each time I saw Marc we could reminisce forever. This I will miss. However I know he will be missed by so many of his family Members adopted family members and friends. You just couldn't help but love him and the family. Love you all still today and always. God bless you all and wrap you in his loving arms.

I use to go to the boys and girls Club and Marc use to always call me his white son. He taught me how to play basketball, football and run track. He would always let me stay and clean the gym and then he would drop me off at home with a whole box of candy. This news hurt. I send my condolence to the family. REST IN HEAVEN MARC DAVIS.
