“ Del and I are so sorry for your loss. Margie was a special person and was always so loving and kind. I can remember so many small things from when she was growing up and involved in G. A.s and other activities at the church in Bynum. I pray for your peace and know that she is now in the Lord's presence in Glory. Love to you all.

“ Merle and all the family: I am deeply saddened by Margie's passing. She was such a kind lady. Margie and I communicated regularly by e-mail. She showed much concern toward me during that time which wasn't so long ago which makes this seem so unreal. Margie may not be with us now but she is very much alive in her Heavenly home where we will see her in her glorified body in the not so distant future. May God's Love and Comfort surround you, Merle, and all the family. Our prayers are with you. Sending our love, Lib and Gene.

“ Mrs. Turley was my teacher then principal. She was always so caring. Even when I got in trouble at school, she showed compassion and love. My most memorable moment was in 5th grade when I had a terrible fit of hiccups. She showed me how to get rid of them in kinda an awkward way and I've always used it since then. Her daughter also taught me at one point and now teaches my son. She will be missed. Prayers for her family!

“ *Sending prayers to Merle, Nathan, Jenny and the rest of the family! Margie and I attended Bynum Baptist Church when she was a very young girl. Our families were good Bynum friends! Margie, Merle and I belonged to a game group that met once a week until the virus hit. We had so much fun with our good Christian friends! Margie was also a great cook, a devoted wife, mother, grandmother and a God loving woman! She and Merle are such good Christian people and I considered it an honor to have known and called Margie my friend! "Rest In Peace" Margie 'til we meet again!*

“ Mrs. Turley was my 6th grade teacher and later on my colleague. She always believed in me, and she constantly challenged me as both a student and educator! She was devoted to her students and so passionate about education in the many roles she held at the school. Anyone that knows her well realized her true love, however, was always God and family first. She was an amazing woman, and she leaves a strong legacy for all who knew her.

“ Mrs Turley was my sixth grade teacher back in 1986. She was one of my favorite teachers. She never showed favoritism, she always treated us all as her children. She will truly be missed.
