“ We have been neighbors for quite awhile, but I just recently got to enjoy her company at our other neighbor's Halloween party a few months ago. She was definitely someone I wanted to know better, what a splendid lady! I am very sorry Jeff and Mileena!!! I can't imagine what you are going through, but if you need something that we can help you with, let us know!

“ As one of her Kudzu Queens sisters I can say our most recent adventure was at the Jacksonville Christmas Parade. We had GovernorJivey Ivey float, all of dressed up in red pant suits, short gray wigs, complete with pearls. She was perfectly an example of our governor, ridding the float handing out candy to children. Wish I had a picture of her to share with everyone.  
Speaking of children, she was in her element as Granny to her precious Shilo. She would post many pictures of her little love that we all enjoyed.  
Marianne your leaving has left a huge whole in our hearts than can never be refilled!  
Later sweet Marianne ❤️

“ She always loved and accepted me for me. She always welcomed me with open arms. My aunt was beautiful inside and out. I miss her so. I cannot wait to see her again. I love you Aunt Marianne! Fly High!

“ We have always been there for each other. We knew what each other was thinking or feeling. My heart is so broken. I want to hear your voice again. And I will one day. Give my baby a hug and hold him tight until I see you both again.
