“ Billy, I am sorry to learn of Marilyn's passing. I missed your gathering, I hope I can share my sympathy here. I think she is in a better place, but you that are left, have to endure this grief. Time and friends will make it a little easier. I wish God's blessings on you and your family. Sam Connor

“ Billy, Tim and family, I am keeping y'all in my thoughts and prayers as you continue to go through this difficult time and as you press forward each day. Y'all have been there for me when I went through this similar loss and know I am here for you too. There is no wrong way to grieve because this is your own journey. Just try not to get stuck in one location too long at one time. I made it through because of all my FAA family and church family. For that I am eternally grateful. Call me anytime day or night. I mean that from the depths of my heart.
