“ I hate I didn't find out about this till now. When I called last you weren't feeling well & I talked to your sitter & told her I had a catchy virus & was scared to come over. She said she'd let me know if anything happened, I guess it was too late. I sure will miss sitting on the porch with you or you calling to check on me. You were a super sweet lady. You were my favorite neighbor.

“ I am sorry for the loss of your loved , may the peace mention in God's Word sustain you during this difficult time. Psalms 55:22 says "Throw your burden on Jehovah, And he will sustain you".
