“ Please accept my most sincere condolences and love to the family of my Martha!!!! What a friend she was to me. Leslie, I always thought of you two as peas in a pod; both of you were very fortunate ladies to have each other in your lives!!! I know your entire family is mourning her loss, but also remembering the good times and special memories!!! Most of my precious memories with Martha are either being with her at Taylor Memorial or being with her at the Seagrove condo. Every single one is precious to me!!!! I just this afternoon saw the email from the church, and I'm so thankful I received it!!! Not being a Facebook person, I had not known of her death. Please know I join you, Leslie, in celebrating her life and loving her always!!! Jody Hix

“ I was blessed to have Martha in my life just a short time, when I was in need of some friendship. Leslie introduced us so I might provide some companionship for Martha when Leslie had to travel; but we became fast friends and I loved our get togethers. Martha always made me laugh with her stories and had great advice which I continue to cherish. I will always carry her in my heart.
