“ Denise will always have a very special place in my heart. The first
time I met her was when she came to stay with me and Dwight for a
while. She shared stories of her life with me. She always had a
caring spirit for other people less fortunate. She cared for me when I
became sick with a kidney stone and knew just what to do to get me
help. She loved to cook and she she loved to sing. She had a
beautiful laugh and she was so very proud of her daughters. They
were the joy of her life.. Rest in Peace Denise I will never forget you
