“ Chelsea, there are no words that can take away any of the pain and grief you and your family are feeling at this time, so all I will say is that I am so sorry for your loss. And to thank you for sharing your beautiful little girl with all of us. We all have such beautiful pictures of her in our minds now, from all the pictures you posted of her in her cute outfits. You will always have your memories, and when those start to dim, you can go back and look at the pictures and see how pretty she was, and remember her 'buck wild bussey ways'!! We will always remember your little angel with smiles and I pray that your pain and grief will ease over time. We love you and your family.
