“ *My Aunt Mary was the BEST aunt anyone could ever ask for!! Every time I think of her I smile. She & my daddy were like "two peas in a pod." On our last visit she had me laughing. Then there was a very reverent side to her too. She told of her conversion at an early age. She was firm in what she believed and her desire was to see her family saved. I'll always cherish times spent with her. I hope I can leave an impression on those I come in contact with like she left on me.*
