Tribute Wall

“ *The day will come when the sadness of losing you is a little easier to handle, but that day won't be anytime soon. You were the very best grandmother I could ever ask for. The love you had for me and my children will pull us through until we meet again. You are at peace, and I choose to take comfort in that. Watch over us all, and be with us in spirit, for you are missed, but above all you are loved.*
