“ I met Mary in the 90s when I worked for Anniston Parks and Recreation. She was always a ray of sunshine and it always made me smile to see her.

“ Mary was one of a kind. We shared a lot of laughs. She loved her family and her animals... especially Lucy. I hope that love will console you in the coming days and that GOD will give you the peace, wisdom, and strength to tend to her affairs. From all of us at The Arc of Calhoun and Cleburne Counties, we will remember her fondly.

I didn't know her, but I know her brother and father. And if she was anything like her brother, she was a lovely person. My heart goes out to Bill and David and the rest of the family. Many prayers for you. God bless.
