“ *You will be missed greatly by your family, but especially your great grandchildren. You were with all since birth. You taught them so many things, but most of all, how to love. You loved them very much, and and they loved you. I know they will think of you often, and they know you are with the Lord and in no more pain. Thank you, Maybelle, for being the best great grandmother to my grandsons. I will miss you too!*
