Melanie was the daughter and caregiver of Joy Howell. She never met a stranger. The joker of the family who could brighten a room with her smile. She put her life on hold to take care of her mother and to help with the kids. She would help any one that she could. Melanie lived life to the fullest leaving no regrets. Still with so much life left to live she would want to be remembered with the smile she blessed the world with. God was ready for her but our hearts were not.
