

Melissa Diann Chain

December 10, 1979 - June 9, 2025

Melissa Diann Chain, age 45, of Glencoe, Alabama, passed peacefully on June 9, 2025, surrounded by the love of her family. Born on December 10, 1979, in Anniston, Alabama, Melissa lived a life defined by quiet strength, deep compassion, and unwavering love.

She was the devoted wife of David Chain and the proud, loving mother of her three children: sons Collin and Liam, and daughter Ruari. Melissa served her family with grace and determination, not only in the everyday moments, but through the extraordinary challenge of being a military spouse. During her husband's many deployments, Melissa held the home together — raising their children, managing the responsibilities of marriage and family life, and working full-time as a pharmacy technician and later as a retail manager. She carried an immense load with courage and dignity, never seeking recognition, but always deserving it.

Melissa was a born-again Christian whose faith quietly strengthened her. Though not loud in word, her love and steady spirit spoke volumes about the hope she carried in her heart. She led with love, and her life was a living testimony of selflessness and devotion.

A visitation will be held on Tuesday, June 17, 2025, at New Bethel Baptist Church from 12:00 p.m. to 2:00 p.m., with funeral services to follow

immediately after.

“The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul...” — Psalm 23

Melissa’s love, sacrifice, and steadfast heart leave behind a legacy that will continue to guide and inspire. In her memory, the family invites you to honor her life by loving deeply, giving freely, and walking in quiet faith and strength — just as she did.

“ We met through a business we both had, and became FAMILY. Melissa was my sister from another mister as we would joke around and say. While Stationed in Germany, she was able to meet my family "before" we ever got the chance to meet. She was always there for me, no matter what. You are loved by so many around the world. Forever my sis , love you BIG 🥰💚👧👦. Forever Noah's aunty lissa 🥹

“ *Melissa and I worked at CRDAMC (Ft Hood) and became fast friends. We called each other “podunk sistas”. We were very close for a time, went to a couple of concerts together that I’ll never forget. Lots of laughs and fun times. I am heartbroken to hear this and will miss her dearly. Sending prayers and love to David, Collin, Liam, and Ruari and family. She loved y’all so much and was so proud.*

“ *Melissa always made me feel better when I was having a rough day. I also worked with her when I had just started my pharmacy career. Always admired how confident she was and never let anyone get to her. She will be missed dearly. God be with her beautiful family.

“ Sorry to hear the passing of Melissa Chain, I worked with her in the pharmacy while they were stationed here at Fort Hood. We had some fun days while working in Supply , she had us laughing every day about something David or Colin did. Praying for the Family during this time, most definitely will be missed.
