“ Praying for all Michael’s family! Great memories growing up. The first time I ever shot a gun was with him and some friends down in Lineville. Jumping off the spillway, riding in that old beetle bug. Madison being born. Etc... I was heartbroken when I found out he passed. Not just for old times sake but for all his family, friends and Michael had such a good heart! Rest easy old friend! 🙏 I pray for comfort in the days ahead.

“ *Just so many memories with Michael Glenn. Memories of all good times. I remember when his daughter madison was born. My children and I were at the beach and on our way home when he called to say mother was in labor. We had a 9 hr drive. Every hour or so we would check in on them. We made it home and went straight to the hospital, if my memory serves me correctly, within the hour of arriving, mom delivered madison. Michael Glenn said "Dianna, she was waiting on you!" Ive always believed that too. RIP Michael, another piece of my heart gets buried with you and I'll meet you on the other side one day.*
