“ Mike was the Salt of the Earth and will be sorely missed! I loved talking to him and getting the details of how "this dang machine isn't behaving" :). He was a trooper that never complained and just lit up the room. It was a pleasure to have him as an employee but more importantly a member of the Creedmoor family!

“ One of the few times we would see Mike without his lunch box is when we'd have our holiday luncheon. We will miss him.

“ My favorite picture of Mike and Sam. Sam got Mike a butter knife for his lunches with his name on it. I only knew Mike for a short time but, when I came to work at Creedmoor, he made me feel welcomed. He was truly one of the best and will be greatly missed.

“ Mike is one of the nicest guys I have ever had the pleasure of knowing and set a standard for how we should treat others. In my opinion there is no greater legacy we could leave the world than how we treated our fellow men and women. I'll miss his slightly dry sense of humor. My condolences to his family.
