“ For when we say hello, one day we'll say goodbye. All of the countless adventures we went on from finishing the fight. To deciding whether or not to sacrifice a town for the sake of one girl. I'll never forget all of the games we played and everything we learned... Just as when you passed, You'll face the East watching the sun rise every morning remembering all the good times that we had. Thank you, Michael... You'll always be my favorite Clown...
