It was five months yesterday, 22 weeks ago today. I will never forget how horrible and scary that day was for me. I am grateful to God that he put us in a place to get help and to say goodbye before your last breath. I forever miss you, my Love... forever and always.

“ *I'm not even his own son but he was a father to me and was the 1st man to understand me. He is the reason why I like Star Wars, heroes, video games, and dinosaurs. He was the first man to have ever changed my diaper. He taught me to cherish the moments and don't be afraid to go the extra mile. As far as relationships go, he was a dad to me. He cared and loved my mother as he did with the rest of my siblings and I. As if we we're his own along with his real daughter, my sister, MacKenzie. May he rest in peace. Ik where ever we go his spirit will always be with us wherever we go.*
