Tribute Wall

 Laura Mallery

“ *I have been incredibly blessed to have my Uncle Mike in my life. He was a good man and his life was defined by the family and friends he left behind. He never met a stranger and was always willing to lend a hand. He had a wonderful sense of humor and an infectious laugh. He was also one of the stubbornest and most hardheaded people I've ever known. From shooting at cans with my kids, to gathering hickory wood on Cheaha with my husband, to playing cards or dominos at grandmother's kitchen table, fishing or skiing at the lake, or gambling together in Las Vegas, I have many years of wonderful memories of times spent with him. There aren't words to say how much he means to me and how much I'll miss him. Wishing you many miles of open road Uncle Mike. RIP*

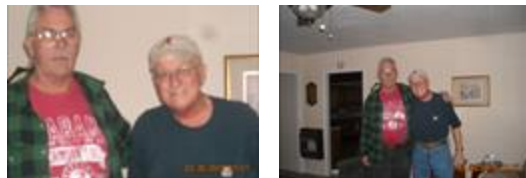

*May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of His hand.*
