“ I met Skip and Trudy at Cornerstone And what I remember most about Skip is that he exhibited love to so many. He did so much for our church before he became sick. He will be remembered very fondly by many! Fly high Skip!

“ There is a lot of memories I could share about Skip. But the two best things I can say is, First he was a firm believer in Jesus. The second thing I can say is that he was a true friend!!!

“ We met Skip and Trudy at church. He had a servants heart and helped us so much with our foster children. He fixed their bicycles and made me a a cubby with coat hooks for the wall. Each child had a place for their coat, backpack and school books. In later years, I loved playing cards with him at the VA home. He was always teasing. What a blessing he was to my family.
