“ *She always loved having family and friends over, especially for a Thanksgiving dinner or a Christmas dinner! And many people would stop by! Even at times, some of her former students that road on her bus route, that we're grown up now with their own children! I loved hearing her laugh and just the certain way that she would say things at times! We will miss you ***Minnie Reid*** but we have our memories! Rest in heaven now and rejoice! Love and sympathy to the entire family and friends! Sincerely, Wanda Chandler Champion*
