“ My thoughts and prayers are with you all. My memories of "Hawk" will live on forever. She was such a joy to work with and we quickly became friends. She will be missed by so many of her patients at Surgical Clinic. They all loved her. She always had a big smile for any patient and listened to any/all of their problems. She has a special place in Heaven and we will see her again one day. What a reunion that will be!! Edna Beard Smith

“ My thoughts & prayers are with all of you during this most difficult time. Mrs Nadine had a heart of gold. I will never forget the many, MANY times she allowed me to 'take cover' in their basement & always reassured me that everything will be okay. I do not have a single memory of her NOT smiling & being positive. I will forever miss her.

“ Our love and prayers are with each of the family members- especially Kim as I remember her being an amazing athlete with my sister(Jan) during their high school years. Now her job on earth is completed and we will see her again one day if we have Jesus-so we see our Savior too. Til then-know we must still be about the Lord's work-just as she & my Mom(Dixie) were. Praying for comfort & strength, peace & contentment as you adjust to your "new normal".

“ A woman whose image is etched in my mind accompanied with Proverbs 31 10-31. A family whose strength is admired by all who have known them. Their loss is Heaven's gain. She'll be waiting for them to prepare another Sunday dinner with the help of her daughters for James and whoever might come through the door.....Rest in peace Nadine Hawkins, you earned your reward.
