“ We met Noah here at the lake and after a "Noah dance" or two he had our hearts. That was about 2 years ago and we have loved both he and the family more and more since that day. He was special to both Donna and I andr we are honored to be friends. We will miss you immensely.

“ As Noahs mawmaw Sartin I didn't get to see Noah as much as his other grandparents. The one thing I miss the most is his BIG smile & his love for Gospel music I can see him singing with the angel choir now. His time on earth was short & painful, but now he can rest in the arms of Jesus. He had the most amazing family, his mother Metha & step-father Steve Dover, his big sister Kaylee, 2 step-brothers & his dad Eric, papa & granny Wynn.
