“ My Aunt Leona was a lovely person who spent a lifetime of giving and caring for others with no thought of herself.  
I remember. as a boy, sitting in her kitchen and crumbling cornbread into a glass of milk, for breakfast. Some of my fondest memories are of her “world famous” banana pudding. Through the years, whenever we would visit. she would be sure that we had some of that delicious pudding before we left.  
I Love you and Miss you!  
God Bless you and hold you in his loving arms forever.
