*I will never forget Pam.. We were at a bowling tournament in Gadsden . I was bowling and was in the second game and in walked my husband . I knew something was wrong to drive from Jacksonville to Gadsden for no reason. anyway i went to him to see what was going on.. he had tears in his eyes i was so scared.. so he finally told me my Mom had passed away.. of course I was in shock.as my parents lived in North Carolina ,so i grab all my bowling stuff , and i ask what to about finishing up i bowling they said you need a sub..so that is where Pam comes in . She was there only to sub if anyone needed one. so she took my place . not only that she came to me gave me the biggest hug and cried along with me. That was the Pam sweet and a beautiful spirit . Sorry this was so long but i just had to write this for her and for the family as what she meant to me, RIP My Friend .. Love Rose*

“ Pam was such a great part of my life. She would help anyone if it was at all possible. She was my cousin/sister. We were more like sisters than cousins. We talked a lot about our problems, our children and our Burnham family. Im.going to.miss our talks. When we would meet for lunch.or breakfast we would talk so.much I'm surprised they didn't run us off. There is a bond there that can't be broken. Gonna miss you so very much my sister. Love ya always.
