“ My heart is broken over the passing of a great friend like Paul. As children and teenagers when had some really great times. His friendship was very important to me and I am sorry that we did not keep close contact with each other as adults. Words cannot express how much his friendship meant to me. Paul had a great musical talent and I am sure heaven is enjoying his singing today. To his brother and sisters my prayers go out to you at the passing of your brother Paul. This world has lost a good person but heaven has gained a good person. I will miss him and will always remember the fun times we had. My Paul Rest In Peace.
