“ Paula was an amazing woman and mother. She was always there for me like i was one of her own and we would have the most deep conversations about life that i could never talk to my mother about, i would tell her everything and she never judged me. She was like a 2nd mom to me. We would sit on the porch late at night and laugh and She would always talk about how much she loved her kids and how proud she was of them. I hope she knew how loved she is.. I love you all and im so sorry for your loss❤️
