“Peggy Ennis was also the Mother of Elizabeth Beach of Virginia, Tanya Pitman of NC and Barry Minnich of Wisconsin. Would have attended her funeral if we were told. My sister and I did not get a chance to spend time with her over the years for that we were thankful to be able to learn about our biological family. She was an awesome cook.

“I'll always remember Mrs. Peggy fondly for many things. Her amazing faith and willingness to help others. Her desire to share her wonderful cooking and goodies she found running all over Chandler Mountain. She will be missed and thought about every time I pass her old home for certain.

“ I never spent very much time with my Aunt Peggy, but I have some wonderful memories of the time I did. She took me bowling and told me that I could be great someday. We had such a great time. She also gave me collector edition Coke cans with the great Paul "Bear" Bryant on them, and told me all about him. She was a blast to know and encouraged me. She was a lovely person, but the best memory of her that I have is when she accepted Christ as her personal savior. It is this memory that gives me hope of seeing her again, glorified and at peace. I was thankful to know her in life but more thankful to spend an eternity knowing her someday.

She was my little sister and I loved her more than I can say. In life we didn't get to spend enough time together because we always lived so far apart. But, we were always close in our hearts. and when we were very young, where you saw one of us you saw the other. All the ladies in our family were good cooks and that talent skipped me and all of it went to her. She was the best cook I have ever known and it gave her so much joy especially when she was cooking or canning or making salsa or homemade apple butter for someone else.

Oh honey, you have always held a very special place in my heart but right now it hurts so much. .

In our Father's house are many mansions and sweetheart I hope yours is next door to mine. Then, we won't ever have to say goodbye.

I already miss you so much and give Moma a hug for me.
