“ I haven't seen my Aunt Peggy in quite a few years, but I have many of her recipes she gave to my mother. She was always a gracious, kind, and loving person. My memories of her will always be "my delicate soft spoken Aunt". My deepest condolences, and I did not hear about her or my Uncle's passing until recently. My heart goes out to you Kim and Hal Jr. May God comfort your hearts and give you the peace that you will see her again one day. Love, Your Cousin, Pam Erickson Harbison

“ Peggy worked with my sister, Janie Chatham, at the clinic. I came to know her through Janie. My sister really loved her dearly, and I got to know her on Facebook and through cards. I can tell you that her sweetness spanned the distance between us. I wish I had been able to meet her in person. I'm so glad I got to know her in the limited way in which I did. God bless your family at this time.

“Peggy was the most gracious loving Christian woman I have ever met. She taught me to be compassionate understanding and respectful of all human beings. This was a life lesson learned much too late but not late enough to make a difference. I have never loved a friend the way I lived her. I hope I made that clear to her while I had a chance. I loved and appreciated her so much. I just don't have the words to express my feelings. She never gave up on anyone that was what made her so Christmas like. Until we meet again Peggy I live you.
