“ I woke up early Thursday Morning with an old song from my Childhood on my mind and cannot get it off my mind. The song {How Beautiful Heaven must Be} I am Confident that Phyllis is Experiencing this now and forever. Phyllis was my niece but more like my daughter. I have so many sweet memories of her that will remain forever in my heart and I will Miss her for the rest of my life. Whenever I see the Mountains near and around Anniston and White Plains I will think of her because she told me many years ago when she lived with us for a short Time that when she went back home on the week ends that her Heart skipped a beat when the Mountains came into view. Go Rest High on Heaven's Mountains Phyllis, Your Crown is Waiting. I Love You!
