“ Raymond you are missed and loved so much by many people. You watched my kids grow up and always made them feel special. You were such a great friend and one of the best guys I know. I remember the wreck me and Tommy had in front of your shop in 2008, you stayed by my side and kept talking to me until the ambulance took me to the hospital and I thank you for that and everything you have done. R.I.P Raymond and spread your beautiful wings and fly high sweet angel. Prayers sent up for your wife Stephanie nephew Duane and the rest of your family.

“ I am so sorry for your loss. The family may not remember me I dated Raymond when I was 17 or 18. I would come to his house for religious groups. He always treated me with respect he was a very nice guy. I found him on facebook about 3 or 4 months ago we messaged a few times. I remember his GTO he drove at the time. Once we went to Horne mountain it was snowing and the top was down and the heater on what young people do. I also meet I think a uncle that was a police office that showed us the jail and locked us in a cell for a few minutes. I have fond memories of Raymond. I lost my husband of 42 years in December. Thought I found a old friend and now he too has passed. I will pray for the friends and family I know loss and am so sorry. God bless.
