“ Rex was a good friend and teammate in our days at Oxford High School. His humor and outgoing personality helped make football fun. He was a major contributor on an undefeated 1972 regular season Oxford football team. RIP Rex and thanks for the memories!

“ Rex was one of my best childhood friends. We grew up around Oxford Lake and Lakeview Baptist Church. We lost touch after high school but ran into each other occasionally over the years. I'll always cherish the memories and good times we had together back in the day. RIP Rex!
