“ Me & her daughter Tabitha were best friends all throughout middle and high school. I can remember so many fun nights at their house and all the adventures she took us on. One day I'll never forget is the day we three went to the Birmingham Zoo and had an absolute blast together. She was such a kind and beautiful soul. I know her family and the ones who knew her best will miss her dearly, and my thoughts and prayers go out to each and everyone of them. I most definitely will never forget her and im glad i have those fond memories of her to carry with me. Tab, i love you babe... And i cant tell you how sorry i am for this loss. Im here if you or Norman need ANYTHING. RIP Ms. Rhonda ❤️

“ I never knew her personally but she meant a lot to someone dear to me. She was the topic of many stories of late nights and drunken hijinks and the memories of laughter an the long conversations about what a character she was will always hold a special place in my heart because of their inexorable connection to that deep and meaningful bond I felt with that person.
