Rhonda was a member of the Oxford High School class of 1978. She served in several occupational roles, ranging from SuperValu and Data Focus Taxes; but, the one she took the most pride in was serving Oxford City Schools for over 10 years as a substitute teacher. She was a devoted member of Edgewood Church and served in many roles.

Rhonda lived a selfless life filled with joy. She was someone who could light up any room and was guaranteed to make you smile. She never met a stranger, and if she did, they would quickly become like family. Despite only having one birth-given child, she acted as a mother for many. She was accepting and cared for everyone. She lived life to the fullest. She was always the first one ready to pack her bags to go on a trip, even on a moment's notice. She was fearless, adventurous, and always willing to try new things. She was a kid at heart and enjoyed all of life's little treasures. Rhonda was an exceptional mother, wife, and friend; but most of all she loved God and lived to show others his love.

I am so sad to learn of Rhonda's passing. She was one of my precious students at Oxford High School, and I truly loved her. I also taught her brother Ronnie, and her husband Roger. My thoughts & prayers are with them & all of her family.

“ Rhonda was an amazing person. You never saw her when she wasn't smiling or laughing, She was my best friend for most of our childhood. We went on numerous trips with Momma and Daddy Farr, her grandparents. Her zest for life was contagious! This is a pen & ink of Rhonda, my sister and me.

“ *Thank you so much for your friendship for over 50 years. You were so kind to everyone and you were there for me during my accident in 2023. Your prayers and encouraging words gave me the nudge that I needed to learn how to walk again and to not give up. I know that you are in heaven and that I will see you again. You were a God send to so many people and I am so proud to have called you my friend.*
