“ It is such a tragedy to lose Robin at such a young age. Robin was a God fearing woman and for that reason I would like to leave this encouraging message of the hope God gives us for life without end and life without death. It can be found at Revelations 21:3,4. It reads “3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” We see from God’s word that he promises to do away with these things. So have hope, that we will see Robin again and we will no longer have to miss our loved ones in death. Please accept my sincerest condolences.
