“ roger odene reaves was my grandpa also known as my paw paw me and him had a great life together. me and him talked about a motorcycle ride. after that he took me all the way to my nanas lynn reaves house. after he past i was always thinking about the motorcycle and when i got older i wanted to own it. roger/paw paw could not talk but he would write down what he was trying to say on a dry erase board. but before he past i gave him a blue frog to remind him i love him and roger was a great and loving man.
