“ *Dear Beth! I am so very, very sorry about your loss of your Daddy. I did not know him but I do know that you loved him so, so very much and he loved and adored you. I was reading through some of the comments where someone said he did not mind telling you the truth. Well, This I do know you are your Father's Child. Please when you feel up to it. I understand this in life as you know. Call me. I love you and you will always be my forever friend. You know this German girl tells it like it is too! God Bless you and keep you! So much love Katrina, Thomas and Marina and Maizie and Minnie!*

You will be missed Ronnie. He and Mary would go by and visit my Mother and Dad often . He dug Graves for people to help them out. He was a hard worker. You will be missed. He did not mind telling you the truth on how he felt and then he would sort of laugh and say well you know.
