“ We begin our journey together in March 1993 the year and the very night of the great blizzard. We had lots of fun and great times together, also went through some tough times but with Gods help we made it. I am so thankful for the years we had together. On Dec 22, 2018 it was time for our journey together here on earth to come to an end. I dont know what to do without you, but I know God is with me to help me the rest of the way. I rejoice in knowing that you are no longer sick and you are free from pain. What a great time you must be having with Gerald and your Mom and Dad. Buddy I love you and sure do miss you. Be watching for me, I will be coming to join you in our heavenly home.

Sorry for your loss and praying he got forgiveness for what he did to my Children. He never ask for their forgiveness. Even so, if he didn't he can't just children any more . I'm not writing this to hurt you Susan I am writing this knowing mine and my children's hurt will never go away . I do hope God forgave him and he is in Heaven . The funny thing if there's anything funny about it is the family runs from the truth , a family I was in for 18 yrs . Maybe Gerald didn't tell Joyce I don't know but I do know the day I called to tell them . But it's not me they or you need to run from , maybe it's the truth is why everyone runs . I pray no other girl or boy was violated by him. I hate writing this on here but I'm trying to get closure too . Barbara
