“ *My Uncle Troy will always have a very special place in my heart! Growing up he played a very important role in my family. He was my security and fun loving uncle. He was so good to us! Loved riding in his chevelle super sport and making us scream going to get milk. He would take us to ride go carts. Couldn't wait for him to get home . I'd call him "Troy the boy"! He would chase me all over the house!!! He loved my mama,his sister ,Barbara Jean very much! Rest in peace my precious uncle! Heaven is even sweeter with you there!*

*When I was around 4 years old Uncle Troy and His sisters Carolyn and Reeta took me on an adventure hiking in the woods! I remember this trip because of the rabbit tobacco cigarette that made to smoke! They let me take a puff on it and I lost my breath! All I could do was cough! Uncle Troy said in an anxious voice “. Oh my lord Grace is going to kill us! Grace being my Mother and their sister!*
