“ Praying for peace and comfort for Rusty's family. He was a very sweet person. I didn't get to know him for very long, but what time I was around him during family gatherings, he was a pleasure to be around. You will be missed dearly Russ!

“ I had the privilege of taking care of Rusty in the hospital. For the short time I was around him, I knew he was a wonderful man and he touched many of our lives here at the hospital. As a nurse, we have people that come and go and then we have people that will gratefully stay in our hearts and in our minds and Rusty is one of those people. His sweet mother Teresa, his beautiful wife Kalyn, those two adorable boys, and the rest of his family will forever be in my thoughts and prayers. I will never forget his radiant smile and his vibrant personality. God bless you all and Rest in Peace Rusty, You are truly missed.

“ Rusty was the only boy in our family for 4 generations. I always said he "was half" mine & he always agreed with me. Words cannot express our family's great sorrow at this time. We just have to trust God & rely on Him for strength & the peace that passeth all understanding. He did not promised it would be easy but that He will never leave us. “ Have a lot of them, but one I am sure Teresa will remember well is riding to park ball all-star games in my parents van. We would all be singing Put Me In Coach and cutting up. He sure loved some baseball. RIP Rusty.
