“ Jane Horn was a woman of love!

- She loved her family – Pistol and her three children – and in laws and grandchildren.

- She loved people – her friends, her fellow residents at Kirkwood – and her children at the school she worked at for so many years.

- She loved life – and wanted to be involved in everything we did at Kirkwood!!! Worship – Music – Bible Study – and just sitting by the fire on a cool day and watching folks go by.

- And she loved her Lord – and it was that love and trust that helped her to get through challenging times.

She woke up every day with the attitude: “This is the day the Lord has made. I’m going to rejoice and be glad in it.”

And she did – and she brought love and joy and gladness into our lives.

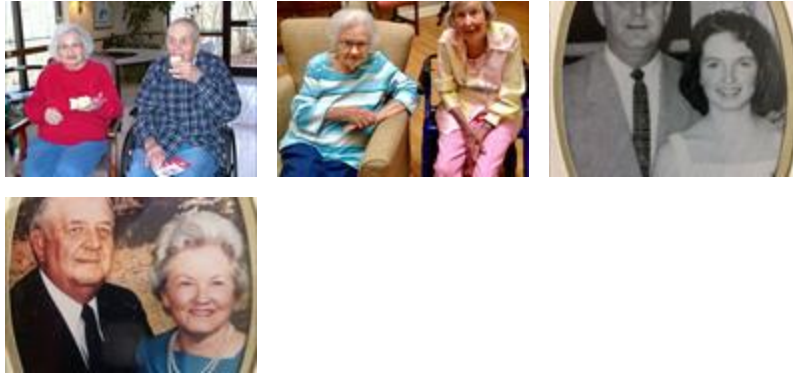

Thank you, Jane Horn. Well done, good and faithful servant. Enter into the joy of your Master!

Thanks, Diane, Wallace and Jimmy, for the privilege of having known Jane for 15 years at Kirkwood by the River!

“ *What great memories Mary Anne and I have of the times we spent her. She had the best version of Home Sweet Home and always brought the house down when she sang it. Road trips with her were always an adventure as we would get to talking and laughing and often miss our turn. We will never hear the song I've Been Working on the Railroad again without thinking of her and all of you. With all our love Ricky and Mary Anne*
