“ Miss Sallie was a special lady and definitely one of a kind. I could talk to her about anything and feel better afterwards. She always gave the best advice. . Due to circumstances beyond our control, we had been out of touch for the last four years and oh, what I wouldn't give to have that time with her back. I hope that she knew how much I loved her and she will always hold a special place in my heart.
My thoughts and prayers are with her family, especially Steve and Brian, who is like a brother to me.
