“ On the behalf of Defense Logistic Agency Chaplain Care Team at the Anniston Army Depot I'm so saddened to hear that our dear coworker had went on to be with the Lord Jesus and I couldn't make it to the funeral. I met Sammy in bld 126 2005 he set in the 3rd section very quiet and clean area guy, he was sort of shy but he was cool. Then again Sammy & I ended up in inventory together working again this time he was funnier because we had different job roles but still done almost the exact job he would say where my money in a joking matter. Made us laugh in inventory. He was always giving on any event and Christmas cheer gifts for children's. We miss him a lot when he retired, surely now he will be miss from all, and we know he's not in any more pain he is resting peaceful now with God. We are praying with you Mrs. Suzy & family. God bless.

“ *Sammy was my best friend in High School. We had some great times in Coldwater. Whenever we would get our group together for playing football, softball, camping and riding bikes were some of the best times of my life.*
