“ Nurse Trull was an angel sent down from the heavens, I did not know her well, but every time I had a panic attack, every time my anxiety was high, Nurse Trull gave me my medicine, and talked me through my feelings. I appreciate her so much, and will forever. She touched my heart with her kindness and how bubbly she was! I hope she finds her way into heaven, and has the best afterlife she can have 🙏

“ One memory I have is when Mrs trull gave me peppermints every day because of my stomach and I love how she took care of me at the school and the rest of the children
