

## Ms.'s Sandy and Jackie Wolfe

November 25, 2020

Ms. Sandra 'Sandy' Wolfe and Ms. Jacqueline 'Jackie' Wolfe were sisters who did everything together. They both passed away on November 25, 2020 at Gadsden RMC, just 5 hours apart.

Sandy and Jackie were both members of the Women's Army Corp Veterans Association Heritage Chapter 62 in Anniston. There they both had many friends who loved and cared for them.

Sandy and Jackie had Mrs. Lori Graves who took great care of them. They also had Josh and Jessie Graves, who they treated just like their own grandchildren.

Ms. Sandy and Ms. Jackie are preceded in death by their parents, Clair and Florence Wolfe.

Ms. Sandy retired from the United States Army after 20 years of proud service. After that retirement, she went on to work at the Anniston Army Depot.

Ms. Jackie retired as a school teacher. She also worked at the Women's Army Corp Museum when it was located in Anniston and also when it relocated to Fort Lee.

Ms. Sandy and Ms. Jackie both had hearts for animals. If anyone would like to make a donation in their honor, it can be made to your local animal shelter.

“ Both Sandy and Jackie did everything together. Both joined the Women's Army Corp, SFC Sandra Wolfe retired after 20 years of proud service. MAJ Jacqueline Wolfe did not retire but served many proud years and was an avid supporter, she was also a retired school teacher. Both Sandy and Jackie worked at the Women's Army Corps Museum. Sandy worked for the WAC Museum Foundation and Jackie was a government employee and worked for the museum. Both were instrumental in the move from Fort McClellan, AL to the new Army Women's Museum at Fort Lee, VA. Jackie transferred to Fort Lee and helped with the transition until her retirement. When Jackie's health started to decline Sandy promised to take care of her as long as she fiscally could and she did. I was so proud to be their friend. When it came to taking cruise trips they never failed to include me in them and the three of us would share a room together, we had more laughs than you could count. They were both there for you if you were in need, no hesitation at all. Every year Jackie would hold a Christmas party at her home and several WAC friends would go and eat, exchange gifts, and go for their boat for a ride on the lake. This went on for years until age decided to enter the picture for all of us, but what a time we had. They were unique, they ate, traveled, lived, fought, laughed, cried and shared together, together til the end. They will be missed by many and for sure by me. Love you both, Jean. Until we meet again.

“ You both will be so missed. Jackie thank you for all the fun times we had up at the lake and all the Dirty Santa gifts we exchanged at your Christmas parties. Sandy, every time I see a horse, mule or baby goat I see and hear your laughter. Until we meet again my beautiful friends, I love and miss you.
