“ Sorry to hear of this sweet lady passing. She was a blessing to a lot of kids in the Friendship area. She always had time for us and shared her home for our activities. A truly Christian woman and just another mother to us all when we were around her.

I am glad I had a chance to visit with her a while back and she was so amazing in her memory and activities at her age. I am blessed to have had the honor of telling her I loved her as we parted and went on our different paths home.

Thanks to the family for sharing her with us for so many years. I am sorry that I cannot be with friends and family for the service today, but I have already had my time with her and love her very much.
